In Egypt, the weather is very different from one place to another. In Cairo, the weather is warm and sunny. Children are playing in the parks. Some students are doing their homework outdoors.

In Aswan, it is hot. The sun is very strong, and the sky is clear. Farmers water their plants early in the morning. People drink lots of water, wear hats and sunglasses, and sit in the shade to protect themselves from the sun.

Now, Egypt is checking the weather to help people take care of their homes and plants.
